Quality Policy

Vision Statement

Your trusted manufacturer who is a community-minded, culture-driven, employer of choice.

Mission Statement

We provide metal fabrication and manufacturing solutions, customised to meet precise client needs. We are committed to

- Exceeding expectations;
- Delivering quality; and
- A superior experience.

Commitment

To assist us to do this we are committed to operate and maintain a documented quality management system designed to meet the requirements of ISO 9001:2015.

We will establish quality objectives to plan, implement and measure the effectiveness of the quality system and ensure continuous improvement.

To implement this policy we will focus on the needs of our business with particular reference to consistently meeting our customers' requirements and statutory obligations.

Our quality management system will provide mechanisms for detecting system shortfalls and for stimulating process improvements.

Kenro Metal Services will adopt procedures and disciplines to ensure that the system is effectively implemented by undertaking relevant skills training and conducting appropriate quality awareness training.

Kenro Metal Services is committed to complying with the requirements of ISO9001:2015 and continually reviewing this policy for suitability.

This policy will be communicated throughout the organisation and regularly reviewed for continued suitability.
